Description:

FreePower Manta 6000: the brand new **thin, fast and long lasting** portable charger by Cellularline.

Its lithium-polymer cells enable a great capacity **without sacrificing light-weight and portability.**

The double USB-port allows the charge of two different devices at the same time with **both maximum speed and safety.**

Its led display visualizes precisely the residual power.

Elegant design, **soft-touch finishings.**

ITEM code: FREEMANTA6000..
