INWALL
SPEAKER

HYDE + FL550

The toilet, living room, your patio or bathroom, even your office ... nowhere is immune. Each of the packages provides a musical duet between the proper loudspeakers and the brand new Hyde. This Hyde has an amplifier with a digital input (Toslink), built-in radio, DAB+ and even a Bluetooth module. Crazy Packs from ArtSound: **not only slightly crazy, but really quite smart – something to be proud of.**
