## 2-CHANNEL POWER AMPLIFIER

Professional 2-channel power amplifier in an extremely compact 19" 1U housing. The high efficient class D architecture guarantees high power, low distortion coupled with a very low heat dissipation.

Need extra power in a compact housing?  
This power amplifier can be used multifunctionally  
in both fixed and mobile installations.

output capacity RMS 4Ω	2 x 200W
output capacity RMS 8Ω	2 x 120W
frequency range	20Hz - 20kHz
input	2 x combo XLR/Jack
output	speakon / binding post
LED level indicator	yes
safety	over-voltage and power surges
cooling	automatic ventilator / thermal sensor
power supply	220V AC
extra	bridge mode
dimensions (h x w x d)	44 x 483 x 250mm - 19"/1U
weight	3,5kg
