## artsound CRAZY PACK XS

More than ever, music is part of our lives, wherever we may be. Today we offer a budget solution with the Crazy Pack XS.

The toilet, living room, your patio or bathroom, even your office ... nowhere is immune. This package provides a musical duet between the proper loudspeakers and the Artl.1. The Artl.1 is a strong integrated amplifier and has a built-in Bluetooth module. This Crazy Pack from ArtSound has a future proof content against a crazy price!
