Item Code: CLEARDUO..
Hard case with rubber frame

Features:

- Made of double material: hard back and rubber frame
- Rubber frame with raised edges for increased frontal protection
- Anti-Shock: protects against bumps and falls

Compatibility:

iPhone, Samsung, Huawei and others

DESCRIPTION:

CLEAR STRONG is a completely transparent case that combines a hard back with a rubber frame with raised edges to cushion impact and ensure greater protection of the screen.

Clear Strong is guaranteed for life and exceeds the MILITARY TEST, internationally recognized certification, which attests to its resistance to impacts and falls.
