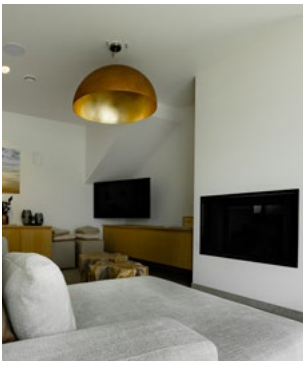
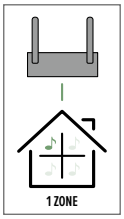
# SMART EVO



*With the SMART EVO, you can easily create your home audio system.*



The ArtSound SMART EVO is a compact streaming multi-room amplifier with a modern design. It connects to your Wi-Fi or your wired internet, and features a wide selection of analogue and digital inputs. Like a phono input to connect your record player, and an HDMI input for TV sound. You can control the SMART EVO with the remote control or with our free application. Moreover, the built-in OLED screen on the SMART EVO gives you all the information you need. No wonder that you want more of them in your home. You can all connect them to one big network.
