

XtremeMac,
is proud to announce his partnership with
House of Accessories,
new official distributor for the Benelux Region

*XtremeMac is first on Apple accessories since 2001 and the
launch of the very first case for iPod!*

House of Accessories well known as
the one-stop shop for all accessories of
mobile devices in the Benelux is the
perfect match to distribute the full range
of **XtremeMac** accessories.

Daniel Charbit - President of XtremeMac:

“I'm delighted with this new partnership. I'm convinced
that with House of Accessories outstanding relationships, solid
reputation & experience, XtremeMac is in the best hands to
strengthen his position in the Benelux market.”

A PREMIUM BRAND:

Every **XtremeMac** product enhances the
Apple experience with clean shape, innovative
features and intuitive experiences.

XtremeMac offers Premium products with
European design touch that answer to
every aspect of your Apple devices with
Connect, Protect, Power and Play
accessories.
