PMR 446 Radios

# About Us

North America, Asia, Africa, Middle East, Europe and Latin America. Our products are available in over 40 countries around the world via 250 plus retailers/online stores and more than 20,000 shop fronts. Altis Zenus is the official global licensee of the Cobra brand for the categories of two-way radio and audio products. Cobra Electronics Corporation is a leading global designer and marketer of mobile communications and navigation products in the United States, Canada, Europe and throughout the world.

With its creation of the world's first CB radio 50 years ago, Cobra Electronics continues to grow by developing a large array of innovative products suitable for professional drivers, driving enthusiasts and outdoor recreational enthusiasts and recreational boaters.

# AM245

## Up to 5 Km range

Compact design with extended range

## Roger beep

Confirmation tone indicates to others it's clear to talk

## Power saver circuitry

Unique circuit extends battery life when not transmitting or receiving

## Call alert

Provides a recognizable alert for incoming calls

## Micro-USB charging capable

Rechargeable batteries can be charged inside the radio

## Features

## Benefits

<b>8 Channels</b>	Front panel push buttons provide easy access to all 8 channels.
<b>Battery Saver Circuitry</b>	A unique circuit extends the life of your batteries. If there are no transmissions within 10 seconds, the unit will automatically switch to battery saver mode.
<b>Battery Low Indicator</b>	Blinks when battery power level is low.
<b>6 AA NiMH Rechargeable Batteries</b>	Radios can also used with 3 AA alkaline batteries per radio (not included).
<b>Micro-USB charging cable with "Y" Plug</b>	Charges supplied rechargeable batteries inside radios. Accommodates 1 or 2 radios.
<b>Speaker/Microphone/Jack</b>	Allows use of wall charger, or earphone speaker/microphones (not included) for "hands-free" operation.
<b>Belt Clip</b>	Secures your microTALK® radio while on the go.
<b>No Licence or Service Fess</b>	High quality band frequencies with no fees.
